**15. Warranty provision:**

**Gordon Industries Inc.– Commercial and Government Warranty:**

The below warranties apply to all Federal Supply Schedule (FSS) contract customers which includes Department of Veterans Affairs - Veterans and Other Government Agencies (OGA) authorized customers.

**Amramp - Commercial Warranty:**

The products sold and installed by Amramp authorized sellers hereunder are warranted against defects in workmanship and materials under normal use for a period of one (1) year. Sellers's sole responsibility under this warranty shall be, at its option, to repair or replace such product or component part, which fails during such period, provided such failure is promptly reported to seller in writing. This warranty does not apply to products, which have been modified by buyer, subjected to accident, neglect, misuse, or to products, which have been removed and or reinstalled by anyone other than an authorized Amramp seller. The use of salt is not permitted on the ramp. Snow removal is by plastic shovel or broom.

**Amramp - (Government) Warranty – Best Value Determination:**

Amramp offers a unique "LIFE OF THE ORIGINAL VETERAN" warranty. That means Amramp will repair or replace any defects in workmanship or materials that occur for the life of the original user of the ramp.

**Amramp - (Government) RAMP Finish and Leveling Warranty:**

We warrant the finish for the entire time the ramp is in service for the ORIGINAL veteran. We will touch up and maintain the finish at NO CHARGE to the Government or the Veteran. We also warrant the ramp installation against settling or frost heaves which can misalign the ramp. We will level and adjust the alignment

**Gordon Industries Inc. dba Amramp (P) 800-649-5215 [www.amramp.com](http://www.amramp.com)**

of the ramp for the entire time the ramp is in service, at no charge to the Government or the ORIGINAL Veteran.

**Amramp - (Government) Warranty Supplement (adds to STD warranty):**

We will at no charge, maintain the finish of the ramp if the veteran is unable to provide normal maintenance of the ramp finish. The coverage will be for the period of use of the original veteran for whom the ramp was provided. We will at no charge, level the ramp if misalignment occurs due to settling of the soil or frost heaving. The coverage will be for the period of use of the original veteran for whom the ramp was provided.

**Gordon Industries, Inc. dba Am Gordon Industries, Inc. dba Amramp accepts the government warranty clauses 52.212-4 (o) (TAILORED), and 52.212-4 (p) (TAILORED):**

Warranty: The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract. In the event that the terms of the contractor's standard commercial warranty conflict with the warranty terms contained in this clause, the terms of this clause will govern this contract, unless some other resolutions is specified in the award document.

Limitation of liability: Except as otherwise provided by an express warranty, the contractor will not be liable to the Government in a breach of warranty action for consequential damages resulting from any defect or deficiencies in accepted items. In the event that the terms of the contractor's standard commercial warranty/limitation of liability clause(s) place greater limits on the contractor's liability than do the terms contained in this clause, the terms of this clause will govern the contract.

**16. Export packing charges, if applicable: Not Applicable**

**17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level): Accepted above the micro-purchase threshold**

**18. Terms and conditions of rental, maintenance, and repair (if applicable): Not Applicable**

**19. Terms and conditions of installation (if applicable): Gordon Industries Inc. dba Amramp does not offer Installation terms.**

- Installation is not included in the FSS price.
- Installation is available at an additional charge and will be annotated as separate charge on any proposal or invoice.
- Installation cost is based on open market and negotiated at the ordering level.

Email to [Info\\_request@amramp.com](mailto:Info_request@amramp.com) or call the toll free # 1-800-649-5215 to arrange for a free home evaluation of the client's requirements. A "NO CHARGE" installation quotation/ proposal will be sent to any location desired.

Many products Gordon Industries Inc. dba Amramp offers must be fitted individually and a team from Gordon Industries Inc. dba Amramp will install the items in the required configuration. There cannot be a set price for 'installation charge' due to the various configurations possible on many custom items, various local permit costs, local union requirements and other work that may have to be done to install the FSS item – for example, removal of greenery, excavation, etc. Installation costs are priced out according to number of workers needed to do the installation, the equipment, and the man-hours involved in the installation.

Installation arrangements are to be made with the ordering facility; including pre-installation site inspection, site preparation (electrical or other) and any other required pre-installation procedures. Proof of liability insurance and any required permits will be provided prior to any work being accomplished IAW VAAR 852.228-71 -

Indemnification and Insurance Clause. Installers and electrical workers will be certified and bonded (if required by ordering facility); proof to be provided upon request of the ordering facility and/or client – end user.
